"A really special performance that no student is going to forget"

-Chris Marks, Head of Orchestra Merrol Hyde Magnet School

REIGNITE CREATIVITY

REIGNITE is a band that has a passion to inspire people through music to be more creative and have the drive to pursue a passion of their own.

With creativity being the #3 skill to thrive in 2020 (*World Economic Forum*), give your students the opportunity to learn to improvise their own ideas and get off the page.

"With fiery live energy, Reignite is sure to raise the bar for string ensembles everywhere."

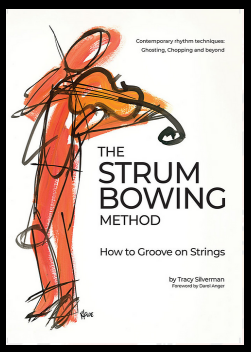
-Corey Redonnet - NS Design Artist Relations Manager

"Reignite is the future of string playing."

-Tracy Silverman,"The greatest living exponent of the electric violin" (BBC)

REIGNITE EDUCATION

Your students will take away:
-Reading chord charts/lead sheets
-Improvising riffs and motifs
-Cutting-edge techniques such as:
  -Chopping
  -Strum Bowing
  -Alternative Vibrato



REIGNITE is an Ambassador for Tracy Silverman's new Strum Bowing Method, teaches students how to groove on strings.

All these skills can be put to good use by having students perform live with REIGNITE.
